McCarthy on Four Benning's Winners, All Well Backed

Madden Has Two Firsts in Takahira and High Range and Wise Fish Win Heavily on Victory of Campaigner in First Race.

BY VINCENT TREANOR.

BENNING'S RACE TRACK, WASHINGTON, April 3.—Dillon McCarthy, the Walter Miller of Benning's, landed his third winner of the day in the fourth race, when he won on High Range easily. Those on the inside had been tipped off early in the day that McCarthy would ride five winners of the card, and after the fourth race it certainly looked as if the prediction would come true.

The victory of High Range was the second of the day for John E. Madden, the Wizard of Hamburg Place. John Flange and Abandon were always odds-on favorites, and they were backed on the boards. Von Laer had many backers, but they were playing in the hope that something would happen to the favorite. Nothing did happen, however, the stable winning easily from Elizabeth Sweeney at long odds, with Tim Pippin third.

Tim Pippin was a quiet tip which almost went through. He opened up a gap in the first quarter and it seemed like he would win, but he tired when the stretch was reached.

There was a big change in the conditions to-day. A high wind, which was blown for the first forty-eight hours, died the track out considerably. The weather has turned cold and raw, making heavy coats and wraps a necessity for comfort. A flurry of snow fell on the course early in the day, but it did no damage.

The card was up to the usual standard, composed of three races, a mile, an open handicap and three selling races.

Wise Fish on Campaigner. While the public handicappers and the like were shoveling in their money on Simple Honours and Smoker in the opening scramble, Sam Lewis, who just got in town, saw the race and saw the odds of the wise set took Campaigner in such good that his price was forced down from 6 to 3-1.
